

Isabelle Sellon School Newsletter

Our Mission:

To learn, play and be well together

Our Vision:
Innovative learning

STUDENTS AS LEADERS

Strength through wellness

March Student Reporting

Student progress reports will go home with students on March 26th. Due to ongoing health and safety restrictions, we will not proceed with our

Celebration of Learning Open House to showcase your child's learning progressions. Rather, we will continue with traditional interviews via phone conference between student, parent and teacher. These interviews will take place on March 31st between 4:30 and 7:30pm. Parents and Guardians will be able to book these interview times online through our school website beginning March 26th.

With a quarter of the 2020-2021 school year remaining, it is important to maintain a strong partnership between home and school. These important conversations are not limited to scheduled interview times. If you have questions or concerns about your child's growth at any time, please reach out.

Place Based Learning is W.I.L.D.

Our scoreboard challenge among classrooms is coming to a close next week. Check our before and after pics of our school wide scoreboard posted on our school website!

Our students are important leaders during this process as we carve our journey toward the idea of "our school as a base camp" for learning.

Back in December, we sought the input of students to share their thoughts about what W.I.L.D. should represent in our school. Students are currently voting on their favorite. The acronym with the most votes will be revealed next week and will be shared on our school website.

Here are the shortlisted student suggestions being voted on:

W- We love wilderness

I- Independently we hope friendships never end

L- Let us learn about being well together

D- Dream about a better world

W- We
I- Imagine
L-Learning
D- Dreams

W-Wonder about the woods
I- Imagine our dreams
L- Live in nature
D- Do caring things

W- Wildlife
I- In the forest
L- Lead your life
D- Do your best

W- Work well together
I- Independently
L- Love nature
D- Discovery

W- We
I- Inquire
L- Love one another
D- Discover

W- We love our school
I- Independently we like
L- Learning together
D- Discovering the world around us
