REMEMBRANCE DAY

All students participated in our virtual Remembrance Day service on November 4th. Our Student Leadership Council President Jeshua and Vice President, Ella led students and staff through the start of the program as emcees to focus our attention and thoughts on Remembrance. This was followed by a service of songs, the Act of Remembrance and reflection in each classroom.

Please take time to pause and remember the service of our veterans on November 11th.

RANDOM ACTS OF KINDNESS

Friday, November 5th was celebrated as "Random Acts of Kindness Day" in our school and across the school division.

Thank you to Mrs. Eden who prepared Hot Chocolate for all students and staff.

Student leaders also extended their random acts of kindness by posting posters around the school to spread joy and positive messages.

The day was a relevant reminder to building upon our positive school culture to create a space where we all can "learn, play and be well together".

STUDENT LEADERSHIP

President's Report by Jeshua V.

We have been planning for fun stuff for the school during our meetings. We voted to plan for a day where we will dress up as our ancestors. This is important to show our ancestors that we care.

Student Leadership Council is also planning a fundraiser. This will be a Subway Hot Lunch. All subs are \$5 and \$0.50 from each sub sold will be for the school. With this money we are planning to purchase fun stuff for the school. We will be asking the kids for their ideas.
