“To learn, play and be well together”

Hello June!

With only **17 days** left in the 2022-2023 school year, the countdown is officially on and there are many activities and celebrations planned as we close out the school year!

**First** - We want to celebrate and highlight the incredible community and parent support at Isabelle Sellon School! The overwhelming support and willingness to contribute to the success and growth of our students is appreciated. Thank you all parents, volunteers, community partners and agencies for your assistance throughout the year!

**Second**- Congratulations to Miss Funk who after many years at ISS will be moving to Canyon School to teach Grade 2! We thank Miss Funk for all the strengths she has brought to our school community and wish her all the best at Canyon School.
