

# 5 REASONS TO CELEBRATE ISABELLE SELLON SCHOOL

"TO LEARN, PLAY AND BE WELL TOGETHER"

## 1 CHANGE STARTS WITH ME

Did you know, all students at ISS set goals for personal improvement and academic growth? Student Leader Logs contain student mission statements, goal tracking sheets and leadership accomplishments! We use school wide and classroom based scoreboards to track progress toward our goals!

## 2 EVERYONE CAN BE A LEADER

Did you know, each classroom leads a monthly assembly based on 1 of the 7 habits of highly effective people? These assemblies are held each month and are entirely student created and presented. Leadership opportunities exist across our school environment: classrooms have leadership roles, lunchroom leaders in the gym, recess student leaders (sports refs), class room reps, Student Council, and student greeters.

## 3 EVERYONE HAS GENIUS

Have you walked our halls to explore the creativity, design thinking and talent of our students? We regularly celebrate student strengths and provide student voice and choice in learning through Passion Projects and Genius Hour Projects!

## 4 EDUCATORS EMPOWER STUDENTS TO LEAD THEIR OWN LEARNING

Students learn best when they can make real-world connections to subject content.

- PEAKS campus
- Scientists in Schools
- LAND/WILD days (Oct./Feb./Apr./June)
- Downtown Coleman exploration
- Frank Slide
- Local business (Pantry, CNP foodbank, Spry...)

## 5 DEVELOP THE WHOLE PERSON

Students have various opportunities to explore!

- Student Leadership Council
- Musical Choir/Recorder Choir
- Drama Club
- Art Club
- After School Sports
- Archery Program
- Student Created Clubs

## 6 WE ARE PROUD TO BE A LEADER IN ME SCHOOL!

We learn, practice and integrate highly effective practices in areas of leadership, culture and academics! We look forward to sharing the 7 habits of highly effective people with you at our Leadership Day in May!
